FREYWILLE
| pure ART

NIVA BANGLE

The Hommage a Gustav Klimt - Hope collection is inspired by Gustav Klimt's golden phase art work known as Hope II to express one of the strongest human emotion, hope. The painting can be seen in the Museum of Modern Art at New York. . The motives from the painting are reduced to the two main pictorial elements: the golden color isles and the winding floral spirals, expressing the two aspects of Hope. Represent ideas, wishes, and initial thoughts of different hopes in life. When creating an intense and modern interpretation of Hope, FREY WILLE focused on the essence of art especially in the richness of color, unfettered design and clever use of symbolism.

“PELE” AUTOGRAPHED 2015 COSMOS SOCCER BALL

WHENEVER SOCCER LEGENDS ARE MENTIONED, THERE IS NO DOUBT THAT PELE IS THE MAIN TOPIC OF DISCUSSION. THE BRAZILIAN FORWARD IS WIDELY REFERRED TO AS THE GREATEST PLAYER TO EVER LACE UP HIS CLEATS AND TAKE THE FIELD. PELE HAS WON THE WORLD CUP THREE TIMES.

FEW PLAYERS IN SOCCER HISTORY HAVE EVER MATCHED PELE'S ABILITY TO PUT A BALL IN THE BACK OF THE NET. THERE IS NO MORE APPROPRIATE WAY TO CELEBRATE THE UNHERALDED SUCCESS OF THIS LEGEND THAN WITH ONE OF OUR AUTHENTIC PELE SIGNED SOCCER BALLS. A BALL AUTOGRAPHED BY PELE IS UNQUESTIONABLY ONE OF THE RAREST PIECES OF SPORTS MEMORABILIA IN THE WORLD AND OWNING ONE WOULD BE AN UNMATCHED VALUE TO YOUR SOCCER COLLECTION.
