Dialog 3 in Piano Black

The LAMY Dialog 3 is a revolutionary fountain pen without a cap. Thanks to a fascinating twist mechanism the nib slides elegantly out of the interior of the barrel, while the clip retracts onto the shell. The twist-action fountain pen is then ready to write. When the fountain pen is twisted closed, a ball valve automatically moves in front of the opening and protects the retracted nib from drying out and getting dirty. The clip lifts up and the fountain pen can be clipped into a pocket or bag.

This shiny black fountain pen comes with a smooth interchangeable two-tone 14K gold nib.

Like the modern gentlemen, Chabot’s 30 year old is dignified and polished. This debonair Armagnac has been delicately blended by our cellar master from vintages secured in the oldest reserves of Chabot. With glints of amber colored topaz and aromas of sweet Madeira and exotic spices, this 30 Year-Old with its long lasting taste pairs perfectly with a fine smoldering cigar.

RETAIL VALUE: $300  STARTING BID: $100  Bid Increments: $20
Every wine is an adventure, whether on water or on the road. Whenever wine runs out, Ressi is there with his tractor, on his boat or the Riesling van. It’s always been like this. It will always be like this.

A mixed case containing 4 bottles each of Rose, Pinot Noir and Dry Riesling.

Pinot Noir - A velvety red with notes of fresh wild berries and cedar. The texture is soft and round, balanced with moderate alcohol reflecting the cool growing conditions of the vintage.

Riesling - A clear and precise Riesling with hints of ripe yellow fruits, gooseberries and peach.

Rose - Typical salmon-pink colors accompanied by hints of wild berries and strawberries. Moderate acidity makes for a fresh and fruity wine. Very fresh!

Neue Galerie New York is a museum devoted to early twentieth-century German and Austrian art and design, displayed on two exhibition floors. The collection features art from Vienna circa 1900, exploring the special relationship that existed between the fine arts (of Gustav Klimt, Egon Schiele, Oskar Kokoschka, Richard Gerstl, and Alfred Kubin) and the decorative arts (created at the Wiener Werkstätte by such well-known figures as Josef Hoffmann, Koloman Moser, and Dagobert Peche, and by such celebrated architects as Adolf Loos, Joseph Urban, and Otto Wagner).

The German art collection represents various movements of the early twentieth century: the Blaue Reiter and its circle; the Brücke; the Bauhaus; the Neue Sachlichkeits; as well as applied arts from the German Werkbund and the Bauhaus.
